Term of the plans

Spriggy Mobile pre-paid plans do not have an end-date. You may cancel your Spriggy Mobile pre-paid plan at any time.

Automatic renewal

Automatic payments via an Approved Payment Method are required for this plan. You will be automatically charged via your Approved Payment Method at the start of each payment cycle for recurring charges. By signing up to this plan, you are agreeing to the Spriggy Mobile automatic payment terms described at <https://spriggymobile.com.au/terms/sfoa>.

However, if the payment attempt fails when we process the monthly pre-payment, the service will be barred immediately for 24 hours. If payment is not received within 24 hours the service will be suspended for 30 days. If payment is not received within that 30 days the service will be cancelled and the number removed from service. If a service has been cancelled and a request is made by phone to us within 90 days to reinstate the service, and a payment for the service is successfully processed, the service may be able to be reinstated.

Cancellation

If your plan is cancelled for any reason, you won't receive a pro-rata refund for the remainder of your payment cycle, and the phone number associated with the service will be removed from service.
